## REPORT

On 14th November 2024 , Patliputra College of Nursing celebrated **Children's Day** and **World Diabetes Day** together. This Year's theme for Children's Day was "**For Every Child, Every Right,**" while the theme for World Diabetes Day was "**Breaking Barriers, Bridging Gaps.**"

In this program all the students of B.Sc nursing, post B.Sc nursing, GNM and ANM from the institute actively participated and presented about the event through posters.

The program was inaugurated by the principal of the institute, Mrs. Smriti Rekha Roy, who provided extensive information related to the event.

The success of this program was greatly contributed to by the efforts of the institute's nursing tutors, including Tanuja Kumari , Jigyasa Pathak, Nidhi Kumari, Smita Kumari, Ravi Kumar, Rakesh Kumar Ranjan, Nitish Kumar, Anamika Kumari and Anushruti.

The program concluded with principal Smriti Rekha Roy distributing pens and chocolates to the childrens.
